

Credit Counseling And Debt Management

Consumer Education Services Inc.

Durham

**Starting April 7, 2011
Durham JobLink Career Center**

In this day and age employers are looking at credit scores before making their final hiring decisions. Need help with debt management and or credit counseling? Then come take advantage of an exciting free opportunity and learn about what it takes to better manage your credit and various ways to manage your debt. Starting April 7, 2011, a representative will be available every Thursday to answer all your questions and give insight on credit and debt analysis.

Overview

You can attend an orientation that will educate you about the importance of credit and debt management. To include good debt bad debt, how to read and understand your credit report and more. Also, take advantage of the one on one credit counseling sessions to find out what's on your credit report and the steps you can take to start repairing it. Orientation sessions will be held at the Northgate site every other Thursday by appointment ONLY. One on one counseling sessions will be held at the Joblink Career Center every Thursday also by appointment ONLY.
